

**Minutes of the Meeting of the
Tides West Community Association
New Board Members
August 15, 2009**

The meeting was called to order by Outgoing President Anita Correy.

The new board members, having volunteered for the posts, and having been unanimously approved, are as follows:

**John Holtermann, President
Judi MacDherson, Vice President
Shannon Baker, remains as Treasurer
Michele DeShaw, Secretary
Dennis Winston, Terry Taylor and Anita Correy
Members at Large.**

Anne Wilson and John Gilbert have retired from the board, having served tirelessly and selflessly for a number of years. Our thanks to them for all their terrific efforts.

John Holtermann recommended a new candidate for the Architectural Committee, Armin Bestel. John will resign his membership on that committee.

A replacement for the park maintenance will be discussed at the September meeting, as the current maintenance person is not working out to the satisfaction of the Association.

An updated set of covenants will be drawn, showing any proposed changes next to the original text, and they will be mailed in October along with a copy of the August general membership minutes. At that time a request for updated address, phone and e-mail information will be made. The homeowners will also be notified by e-mail of any news or changes, unless they request a hard copy.

The Board then walked around the park and pointed out to Dennis Winston the repairs that need to be made to the out buildings and the dock. Dennis will provide an estimate of costs and materials to make the repairs.

There being no other business, the meeting was adjourned. The next meeting will be at the home of John Holtermann, 1105 195th St. on September 19th.
