Todd Brownlee, Pacific County Department of Natural Resources
Bob Cline
Clark Jacobson
Bob and Marcy Salesbury
Mike Mantifel
Janet Easley
Renell and Bill Welsh
Nadine Long
Lynda Congemi
Royal Waldock
Pam Reynolds**

- 1. The Vision Statement draft was presented and discussed. The new Vision Statement is:**

The concerned community on or near Loomis Lake organize to restore and sustain its healthy wildlife habitat and recreational activities.

2. The Mission Statement draft was presented and discussed. The new mission Statement is:

To develop, implement and maintain Loomis Lake IAVMP (Integrated Aquatic Vegetation Management Plan).

3. Stakeholders in the project were listed. They are:

Pacific County Conservation District
Department of Natural Resources
Washington Department of Fish and Wildlife
Washington State Parks
Organizations
Cascade Land Conservancy
County Weed Board
Ducks Unlimited

4. It was suggested that there be an evening meeting of the Loomis Lake Restoration Project to enable others to join in the planning. The group will consider an evening meeting in March.
5. It was suggested that we check with the Shoreline Master Plan group to find the date of next public meeting.

Next meeting will be at the Ocean Park Fire Station Meeting Room on Thursday, February 12, 2015 at 10:30.
