

Prospective Tides West Board Members

Michele DeShaw

As a Tides West homeowner for 20 years, I have certainly seen some things change and some stay the same. Through it all, I have believed in the power of this community, acting together, to solve problems and provide exceptional recreational opportunities on the Peninsula. I live here full time. You may have seen me, said hi, or waved, as I take a walk through the neighborhood four or five times a week. I currently fill an appointed position on the TW HOA Board and very much enjoy working with others. I also serve on the Archives Committee. I'd like to help for another two-year term of office.

Mike Needy

I retired two years ago after a 30 year career in internal audit/corporate governance in financial services and the gaming industry. I was born and raised in the Midwest, lived in New Jersey and Las Vegas, and have lived in Tides West for five years. Pam and I truly enjoy the beauty and peacefulness of our community and interactions with our neighbors. We also enjoy travel, sports, and working in the yard.

I view serving on the board as an opportunity to contribute to the overall success of the community. I believe the Association is in a good place and I don't foresee a need to make any dramatic changes to who we are. I want to offer whatever input and thoughts may be useful or helpful to build upon the great community that already exists.

Hello everyone.

My wife Rita and I retired and bought our fixer upper here a little over a year and a half ago. We lived in Spokane and both were in sales. We absolutely love the area, the beach and everyone we have met here. I look forward to the opportunity of continuing to make Tides West a great place to live. I look forward to meeting everyone.
